Abstract

Ferries - South Kanara - Coondapur taluk - Kodi ferry - Transfer of managements to Panchayat Board - Orders.

Public Works Department.

G.O.No.Ms.929, Dated the 10th May, 1938.

Read the following:—

G.O.No.834 Finance, dated 1st September, 1891.

From the President, District Board, South Kanara, N.Dis.8450-C5-37, dated 13th November, 1937.

From the Board of Revenue, B.P.Rout.1116, dated 18th March, 1938.

O R D E R.

The Panchayat Board, Coondapoor, requests that the managements of the ferry at Kodi village and the income derived from it may be assigned to it for the reason that the ferry lies within the limits of the Panchayat Board, that the finances of the Board are poor and that with this additional source of revenue, improvements to the Kodi village can be carried out. The District Board, South Kanara under whose control the ferry is at present, is opposed to the proposal on the ground that its income will be depleted and that the Panchayat Board cannot afford to employ proper staff for the effective supervision of the ferry. The Collector who was consulted supports the proposal of the Panchayat Board.

2. It is observed that all the roads in the Coondapoor Panchayat Board area have been transferred to it for maintenance except the coast road and that the roads connected to the ferry also are being maintained by the Panchayat Board. The average annual income of the ferry is Rs.380/-and is likely to help the Panchayat Board in the matter of improving the conditions at Kodi while the corresponding loss to the District Board will not be appreciable. As regards the possible loss of efficiency feared by the District Board if the supervision of the ferry is transferred to the Panchayat it is reported that the Panchayat Board has a clerk and menial establishment for supervision and there is no reason to suppose that the ferry which is a source of income to the Panchayat Board will be neglected by it.

3. The Government therefore consider that there is no valid objection to the proposal to entrust the management of the ferry to the Panchayat Board. They accordingly direct under section 11 of the Canals and Public Ferries Act, 1890 (Madras Act II of 1890), that the management of the Kodi ferry be withdrawn from the District Board, South Kanara and assigned the Panchayat Board, Coondapoor.
